

The SAME Values

Integrity: Unwavering commitment to always do what is right, regardless of consequences.

Patriotism: Support our national ideals and take pride in our country.

Public Service: Recognize the critical contribution that public servants make in supporting the economic and environmental needs of the nation.

National Security: Recognize the dedication of our national security team, comprised of the uniformed services, civil service and contractors, in defending freedom.

Technical Competence: Deliver high-quality solutions.

Excellence: Strive for the highest standards of performance in all actions, both personal and professional.

Environmental Stewardship: Preserve, protect, conserve and restore our national resources through sustainable practices.

The SAME Mission

"To provide education and support to the engineering components of the military and uniformed services, and other federal, state and local government agencies responsible for the nation's infrastructure, and to advance the partnership between government and the architecture, engineering and construction industry in the interest of national security."

The SAME Vision

"To be a premier global engineering organization leading the professional and personal growth of all members in support of military readiness and development of solutions to national security challenges."

SAME...Rich in Heritage, Right for Today

The Benefits of Being in SAME

SAME Membership is a Great Investment in You!

Whether you are just beginning your career, working within your peak career years, or looking back on a lifetime of achievements, let SAME be your professional partner.

SAME Membership provides valuable benefits not found in any other association, including opportunities to:

- Connect with top engineering officials from the public and private sector at SAME events held on the national, regional and local levels.
- Build important relationships with SAME's community of more than 28,000 A/E/C professionals.
- Reinforce life-long relationships through our network of more than 108 Posts and 42 Field and Student chapters located across the United States and abroad.
- Learn about upcoming DOD projects directly from the Engineering Service Chiefs.
- Expand your knowledge and earn professional development hours through SAME's continuing Education Program designed specifically for those working for and with DOD and other federal agencies.
- Learn about A/E/C changes, contracts and awards through TME—*The Military Engineer* magazine, which provides feature articles and new items of immediate importance to our community.

Join SAME today to benefit from outstanding programs, networking opportunities and professional development.

- Strengthen your leadership skills and enhance your visibility by serving on a mission committee or council, offered at both the national level and at your local Post level.
- Shape future engineers by mentoring young professionals at the local and national levels and future engineers through our national Engineering & construction Camps and other student programs offered at the local level.
- Save money by taking advantage of discounted members-only pricing on conferences, events, products and services offered through SAME and its strategic partners.

Rich in HERITAGE

Founded in 1920 to preserve and expand upon connections formed in war and promote the advancement of engineering and its related professions, SAME continues to meet the growing needs of its membership.

Right for TODAY

As the industry's premier organization that unites architecture, engineering, construction (A/E/C), facility management and environmental professionals in the public and private sectors, SAME membership enables you to stay current in your profession, keep in touch with your peers and invest in your career development. Our focus on the uniformed services, the Department of Defense (DOD) and other federal agencies provides a unique niche not found elsewhere.

Who can join SAME?

SAME membership is open to any individual or organization that shares an interest in preparing for—and overcoming—natural and manmade disasters, and improving security at home and abroad. Membership options include:

• Individual Membership

- Uniformed Members (active, guard and reserve)
- Public Sector Civilians
- Industry Members
- Students

• Organization Membership

- Private Sector companies
- Public Agencies (federal, state, city or local government)
- Non Profit Organizations
- Academic Institutions
