NEWSLETTER OF THE ROBINS AFB POST:  
SOCIETY OF AMERICAN MILITARY ENGINEERS

## Preview of February Meeting

**Col. Carter, Commander of the 78 ABW named February 2007 Featured Speaker**

### Intro

Col Theresa Carter is the Commander of the 78 ABW where she commands 3,000 people assigned to three groups, an operations support squadron, the comptroller squadron, and five wing staff agencies. The 78 ABW is responsible for all logistics, medical, civil engineer, security, and mission support functions for all of Robins AFB. Not bad for an Industrial Engineer from Purdue. When you "click" on the Leadership icon at the Robins AFB web page, you can read her bio, but at this month's SAME meeting, you can hear all about how she came to be a Wing Commander--its all about leadership.
