THE FLYER

Newsletter of the Robins AFB Post: Society of American Military Engineers

Preview of the August 2018 SAME Presentation. This presentation will be about the 78th Civil Engineer Group Program Review and will be given by Mr. Marshall Wall of 78 CEG/CEN.

The 78th Civil Engineer Group is located on Robins Air Force Base, Warner Robins, GA. The Group is responsible for all facilities and infrastructure, emergency management, fire & emergency services, and environmental support across the 6,935 acre installation. The installation includes 92 miles of paved roads, 6.8 miles of fuel lines, and 1,178 facilities comprised of 13.8M square feet. Robins AFB also operates one of Georgia’s longest runways, 12,001 feet long and 300 feet wide and over 18.7 million square feet of airfield pavements, averaging 23,000 flight operations each year. Robins AFB has grown to be one of the largest industrial facilities in the state of Georgia.

The 78th Civil Engineer Group will be giving their annual overview of the 78th Civil Engineer Group Military Construction and Operation & Maintenance programs.

Sustaining Member Spotlight: **POND**

SAME MISSION

“To provide education and support to the engineering components of the military and uniformed services, and other federal, state and local government agencies responsible for the nation’s infrastructure, and to advance the partnership between government and the architecture, engineering and construction industry in the interest of national security.”

SAME VISION

“To be a premier global engineering organization leading the professional and personal growth of all members in support of military readiness and development of solutions to national security challenges.”

Announcements from the Post...

Pull up your socks and dust off your clubs because our annual Fall Golf Tournament is just around the corner! This is the big fundraising event for our Ric Powers Scholarship Program where we give two deserving engineering students a \$2500 scholarship! Our event will be at the Landings Golf Course and is scheduled for the 11th of October with a rain date of 18 October.

Looking to be a sponsor or volunteer for this event? Please contact our Events and Small Business Director, Mr. Eric Anania (contact information is at the end of this newsletter), for more details!

The 2nd Annual STEAM event, sponsored by HQ AFRC and SAME, will be held at the Museum of Aviation sometime in November. Schools from around the middle Georgia area will be invited to participate in a paper rocket launch competition that will encourage students to engage themselves in not only

the world of engineering but the arts as well. Teams of students will construct a paper rocket, create a mission statement for the project as well as a logo for their team. Looking to volunteer or become a mentor for this event? Please contact our Education & Mentoring Director, Captain Garrett Chesonis, for more details.

The next Robins Post General Meeting will be held on **15 August 2018** at **11:30 am**. The meeting will be held **OFF BASE** at the China Buffet (605 Russell Parkway, Warner Robins 31088). All are welcome.
