THE FLYER

Newsletter of the Robins AFB Post: Society of American Military Engineers

Preview of the May 2018 SAME Presentation. This month, the Robins AFB SAME Post will be conducting an open forum.

The presentation for this month's meeting will be an open forum for our Post Members to come and discuss their ideas and present opportunities for improving our post. Whether it be new initiatives for the post to pursue or ways to better communicate with our members, etc, all your thoughts and ideas are welcome!

A survey was given earlier this year and there will be some discussion on the results of this survey before our open discussion starts. Want your voice heard? This is the meeting to come to! Your board is here to listen and work towards making the Robins AFB SAME Post the best it can be!

SAME MISSION

"To provide education and support to the engineering components of the military and uniformed services, and other federal, state and local government agencies responsible for the nation's infrastructure, and to advance the partnership between government and the architecture, engineering and construction industry in the interest of national security."

SAME VISION

"To be a premier global engineering organization leading the professional and personal growth of all members in support of military readiness and development of solutions to national security challenges."

Bring your Ideas!

2018 Scholarship Winners

After reviewing the applications of numerous, well qualified students for the Ric Powers Memorial Scholarship program, two students rose to the top of the pile to win a \$2,500 scholarships for 2018! Congratulations to both and we'll expect great things from them in the world of engineering! The winners of our scholarships are:

Heath Henry just finished his Freshman year of college at Mercer University and is studying mechanical engineering. Heath made the President's List this semester!

Jonathan Pegues is a senior at Houston County High School and plans on studying computer engineering at Georgia Tech in the fall.

We'd also like to give a shout out to the two students who the post is sponsoring to attend the Engineering Summer Camps: Devin Morrison and Jacob Lowry.

CONGRATS TO OUR POST!

This year, the Robins AFB SAME Post has been named a Distinguished Post in that we received all 5 streamers (two with Distinction) from SAME National. Thank you for everyone who had a helping hand with this and here's to many more streamers in the future!

Distinguished Post!

SAME Events
