# THE FLYER

Newsletter of the Robins AFB Post: Society of American Military Engineers

**Preview of upcoming SAME presentation.** The United States Air Force Reserve Command (AFRC) will be presenting on Partnering with Industry. Presenters will include Mr. Scott Hastings, Operations Division Chief, HQ AFRC/A70; Lt Col Lowell Nelson, Programs Division Chief, HQ AFRC/A7P; Col Mike Kozak, Readiness Division Chief, HQ AFRC/A7X; and Mrs. Diane Sharpe, Contracting Division Chief. Col Steve Zander, Deputy Director, Installations and Mission Support, HQ AFRC/DA7 will provide overview and summary comments.

## Partnering with Industry, Part II

The United States Air Force Reserve Command (AFRC) will present a discussion entitled "Partnering with Industry", centered on any and all contract capability they utilize to meet today's mission as well as future requirements. Each Division chief will provide an overview of mission and current workload to include a brief description of organization and major initiatives.

Please join us at the SAME Robins Post General Meeting at 11:30 A.M. on Wednesday, 18 March 2009.

## SAME Spotlight: Member of the Month

Casey Spinks recently joined SAME as a Young Member. She works in the Warner Robins, GA, office of AECOM (formerly Earth Tech). Casey graduated from Perry High School in 1999 and was her class Valedictorian. She then graduated from the University of Georgia in 2003 with a Bachelor of Science degree in Environmental Science, majoring in Environmental Economics and Management. Casey started her career in Environmental Management with Earth Tech/AECOM upon graduation and has worked on various Robins AFB projects such as Environmental Management System development, ESOHCAMP Program Management, Environmental Training, LEAN program support, Basewide Groundwater Sampling, and Air Quality Program Management support.

In her spare time, Casey volunteers with the Perry Animal Shelter and enjoys outdoor activities. Casey is also working with the Savannah SAME Post on the upcoming Small Business Conference.

## Earth Day on the Greens

The Robins Air Force Base *Earth Day on the Greens* Golf Tournament will be held on April 24<sup>th</sup> at the Pine Oaks Golf Course at Robins AFB. The Tournament is being presented by Environmental Management and Society of American Military Engineers (SAME).

Team and individual pre-registration is currently in full-swing. Hole sponsorship opportunities are also available. Please visit the SAME Robins website (<http://www.samerobins.org/>) at the following link <http://www.samerobins.org/Documents/flyers/Golf%202009.pdf> for additional information and registration information.

Don't miss out on this worthy and fun-filled event!

## WHAT'S COMING UP...

The next Robins Post General Meeting will be held on 18 March 2009 at 11:30 am. The meeting will be held in the Horizon's Attrium (formerly the Officer's Club). All are welcome.

The SAME Robins Post Board Meeting will be held on March 18, immediately following the General Meeting.

## Education & Mentoring Update

Information on the SAME sponsored Engineering and Construction Summer Camps is available on the SAME National web site: <http://posts.same.org/camps/2009/>. As we have done for the past couple of years, the Robins AFB Post of SAME is willing to sponsor a qualifying student for the camp and will pay for the registration fee and the travel costs. In addition, we are sponsoring two \$2,500 college scholarships for students that have chosen to study engineering. Class of 2009 graduating High School Seniors that plan to study engineering, along with current Freshman or Sophomores in a college or university program aimed at an engineering degree are eligible to apply. Applications can be found on our web site, [www.samerobins.org](http://www.samerobins.org), or you can contact Mr. Mike Coats at 478-329-8870. The deadline for the summer camps vary by camp, but the deadline for submitting the college scholarship application is April 17, 2009.

### Upcoming Dates in 2009

**18 March:** 1130 hours: SAME General Meeting immediately followed by SAME Robins Post Board/Officer's Meeting. Air Force Reserve Command personnel will be the featured presenters and will be providing an updated version of their "Partnering with Industry" presentation.

**24 April:** Earth Day Golf Tournament at Robins AFB.

## US Army Corps of Engineers, Savannah District "Summer Hire Positions"

US Army Corps of Engineers, Savannah District will put announcements on "Summer Hire Positions" on its web site [www.sas.usace.army.mil](http://www.sas.usace.army.mil) sometime mid - late March. Other job opportunities, as well as links to find other available vacancy announcements can be found on the site. Co-Op positions are those where students, after completion of several semesters, can work one semester in a specific office/ field of studies full time, then go to school full time the next semester until they graduate, whereupon they come to work full time for us. The student, Corps and school agree to Co-Op method. Intern positions are permanent, full time after graduation with salary dependent upon GPA.

## SAME Mission

*“To promote and facilitate engineering support for national security by developing and enhancing relationships and competencies among uniformed services, public and private sector engineers, and related professionals.”*

## SAME Vision

*“To be a premier global engineering organization leading the professional and personal growth of all members in support of military readiness and development of solutions to national security challenges.”*

# Spotlight on Sustaining Member Firms: LEO A DALY

## Excellence Beyond Expectations

Strong client relationships have helped LEO A DALY become a leader in the design of the built environment, and one of the largest planning, architecture, engineering, interior design, and program management firms in the world. Since 1915, we have had an unyielding focus on design excellence to create exceptional spaces that enhance and enrich the human experience.

Our privately held practice has more than 1,100 design and engineering professionals in 29 offices. Our partnership with Lockwood, Andrews & Newnam, Inc. (LAN) extends our capabilities in engineering, infrastructure consulting, and program management.

## Global Experience

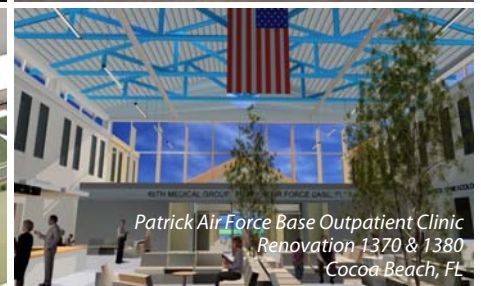

Our award-winning, diverse portfolio includes projects in a wide range of markets in more than 60 countries, all 50 US states, and the District of Columbia.

## Clients Served

LEO A DALY's client base includes public, private, and institutional organizations in the following sectors:

- Aviation
- Commercial Development
- Corporate Office
- Cultural
- Entertainment and Retail
- Federal, State, and Local Agencies
- Healthcare
- Higher Education
- Hospitality and Gaming
- Manufacturing and Distribution
- Mixed-Use
- Public Assembly and Convention Centers
- Science and Technology
- Sports and Recreation
- Transportation
