Mr. Joe Ballard provided copies of the 2022 schedule of programs. He has confirmed the presentations for January, February, March, and April. May is tentatively planned as a tour of the new HQ AFRC facility. Plans for June-December are still in the works. The schedule of presentations is attached to these meeting minutes.

Post Membership:

Mr. Justin Knight has updated the Robins Post Membership Roster based upon HQ SAME National records. He also mentioned interest in working to set up a Government-Industry Engagement event based upon current environmental issues such as contaminated ground water impacts on areas beyond the installation boundaries, and Perflourooctane Sulfonate (PFOS) and/or Perflourooctanoic Acid (PFAS), the hazardous constituent found in aircraft/fuel fire fighting foam agents. Mr. Knight and Col

Deloughery will research to find either Air Force, Federal, or State regulatory agency expertise willing to provide a presentation or participate in a discussion panel. The goal of the Engagement event would be to open discussion to educate everyone on the issue and potential approaches for mitigation.

The goal is to complete the election and then install/re-install the Post Officers/Directors at the February or March meeting.

Mr. Coats stated that Anjelica Bernier will not be returning as our Post National Liason/Director for the 2022 year of service. Mr. Coats stated that he will work on the Streamers and Annual Report and submit draft versions for review prior to 30 Jan 2022.
